BY PFAFF

Optional Accessories!

A must-have for every quilter:
the QUILTER'S TOOLBOX

It is packed with everything you need to sew a beautiful quilt:

- Attach the Extension Table for an extra large sewing area.
- Join many pieces of fabric together to form the top layer of your quilt, with the 1/4" Quilting Foot.
- Achieve perfect 1/4" seams when piecing with the 1/4" Right Guide Foot.
- Use the Stitch-in-Ditch Foot for perfect quilting on the top of your quilt.
- Create beautiful free-motion stitching with the open toe Free-motion Foot.

For more information ask your PFAFF® dealer.

SMARTER BY PFAFF™ – inspired and developed by the premier PFAFF® sewing machine brand

So much more quilting comfort and inspiration!

Start looking forward to many features that will make a quilt uniquely yours. Set entirely new accents with sophisticated utility, decorative, and quilting stitches.

Discover the pleasure of having even fabric feed (DFS™), an extra large sewing area for large volumes of fabric, and a machine which is very easy to use. Simply select sewing programs and functions at the touch of a button – the LCD screen will show you all information. The stitches already have the optimal settings and can be changed as you choose. Ask your authorized dealer for a personal demonstration and discover all possibilities!

C1100 Pro

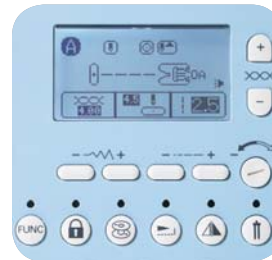

Large sewing area to the right of the needle.
Perfect for working with large amounts of fabric.

Large sewing space

Lots of space for working with large amounts of fabric.
Enlarge the area with the quilt table (optional). Perfect for quilters!

LCD Screen

Stitch width and length,
presser foot, thread tension
and sewing information –
all at one glance, thanks to
the LCD Screen.

Beautiful free-motion quilting

Use the optional free-motion
foot and lower the feed dog
easily and move the fabric as
you choose.

Set unique accents

with enchanting 9 mm
stitches and letters. Mirror
stitches for more creative
possibilities.

● Needle up/down

Set the needle to
automatically stop up
or down. Ideal for
pivoting and quilting.

● Start and Stop-Button

Sew without the foot
control and adjust
speed ranges in the
front of the machine.

Dual Feed System

Even fabric feed from top and bottom.
Ideal for demanding materials, stretch
fabrics, several layers, and much more.

C1100 Pro
