

NEW

Let's start  
**SOMETHING BEAUTIFUL!**

Make it personal with the new HUSQVARNA VIKING® H|CLASS™ 500E Sewing & Embroidery Machine.

H|CLASS™ 500E

Nothing awakens a living room  
more than embroidered pillows.

## Introducing the gateway to experience embroidery with HUSQVARNA VIKING®!

Whether you are a beginning embroiderer who wants the ability to create trendy looks and personalized items, or an avid sewer longing to expand your creativity, the new HUSQVARNA VIKING® H|CLASS™ 500E

sewing and embroidery machine is for you. It sews like a dream and embroiders your personal touch on just about anything. Plug in your PC and the possibilities are endless. Let's start something beautiful together!

Welcome to the HUSQVARNA VIKING® family and to our Swedish values of world-class capability, convenience and innovation.

### Creative Capability:

- 100 Built-in stitches ideal for quilting, utility, specialty, and heirloom sewing; plus, a 7mm stitch width for bolder results.
- Two embroidery hoops and additional bonus software allow you to use your own images or clip art to easily create custom embroideries.
- Extra-high presser foot lift, perfect for layers of fabric.

### Modern Convenience:

- Six different one-step buttonholes for various sewing applications.
- 120 built-in designs, 100 bonus designs and built-in lettering with 20 fonts ensure you get started today personalizing anything!
- Built-in needle threader, automatic tension and top loading bobbin for sewing ease.

### Inspiring Innovation:

- Push button stitch selection provides optimal settings automatically.
- Ability to customize embroidery designs on your computer screen means a whole world of designs and ideas are at your fingertips.

Tip: Sew and embroider your own tote bag and pot covers using 20 built-in fonts. Instructions on how to make the tote bag can be found on [www.husqvarnaviking.com](http://www.husqvarnaviking.com)

Sewing ease with  
perfect results!

Embroideries make beautiful  
decorations on curtains,  
lampshades and cushions!

## More features

### **PUSH BUTTON STITCH SELECTION**

Settings for length and width are automatically set when choosing a stitch. Settings can be changed for your specific fabric and technique.

### **CONNECTS DIRECTLY TO THE COMPUTER\* VIA USB CABLE**

No additional hardware or cards are needed.

### **CUSTOMIZE EMBROIDERY DESIGNS ON YOUR COMPUTER SCREEN**

- Combine designs and add lettering to personalize your embroidery.
- The software includes thread charts with color numbers for the most popular brands of embroidery thread.
- Rotate and/or resize embroidery designs to adapt to any project.

### **ADDITIONAL SOFTWARE INCLUDED**

AutoPunch® – Use your own images or clip art to automatically create custom embroideries.

HyperFont™ – Convert your own computer's Windows® True Type fonts into custom monograms and lettering.

Auto Cross-Stitch™ – Use your own images or clip art to automatically create custom cross-stitch embroideries.

Editing – Enhances the capabilities of the main software.
