- Games will be played on an 9 foot basket. A 28.5 sized ball will be used in this league.
- No score will be kept in this league. Coaches will serve as game officials.
- No full court pressing.
- Defense will be man to man. The players during the game will wear colored wristbands in order to help remind the boys and girls who they should be guarding. At the beginning of each quarter, coaches should try to defensively match- up boys of similar ability.
- No double-teaming allowed.
- Each player must play two complete quarters. No child may play the entire game. Substitutions will be allowed in case of an injury only.
- Coaches are not only expected to balance playing time; while also working to involve all players in the offense; every player should get a chance to dribble and shoot in every game. Your goal should be for every player to score a basket during the season. This should be your measure of success, not your win - loss record.
