

KNITTING CLASSES

We have discovered that many sewers have enjoyed knitting as a creative outlet. Even I have learned how to knit socks. We love to work with our hands!! So our new instructor, Sara Stoll, a very talented sewer, knitter and artist, has agreed to teach knitting (and sewing) at Stony Brook. So check out all of her classes, but especially, if you want more knitting classes, enroll in this class today.

Beginner Knitting-Sara Stoll
