

# EVENTS AT STONY BROOK

## Fine and Fancy!

Peggy Dilbone

Your next opportunity to experience the joy of sewing for 3 days straight is March 15-17, 2012 when we are having back our team of **Martha Pullen Certified Licensed Educators** to wow you like they have done in the past. This year's event is called "Fine and Fancy!" and will be held at our newly completed Bordentown event room facility! We will only be able to accommodate 1/2 of the people we had at the last Heirloom Event we had at the Sheraton so sign up early. Space will be limited.

Peggy Dilbone, Connie Palmer and Deb Yedziniak are the best of the Martha Pullen Educators. They will be sharing their tips and tricks, telling those amazing sewing stories and all helping you make the all new projects in a hands on sewing event. You will go home with completed projects that everyone will be amazed that you made in just three days! Your friends will say **"That is so beautiful! I can't believe that you made them yourself!"**

Husqvarna Viking will be supplying the sewing machines and sergers so all you have to do is show up and bring basic sewing supplies.

Even if you live close, plan to stay at one of the local hotels because we are planning some fun things that may run latter. There are plenty of hotels close by. An Econo-Lodge right next door and Hampton Inn, Best Western, Ramada, Comfort Inn, Days Inn, Ramada, Candlewood Suites all within two miles of the store. We will be serving you lunch and breaks but dinner will be on your own. Again there are great restaurants within walking distance. The restaurants in Bordentown are very quaint. It is an old downtown area. Of course almost everyone knows Mastoris and Town and Country Diners. There are too many restaurants to choose from.

Deb Yedziniak

More information will follow but we wanted to make sure you could get it on your schedule as soon as possible. The total cost for the event will be \$597. It will include the class fees, all your kits for all the projects and lunch every day. We are planning a Bonus Day on Sunday March 18th. We don't have the details worked out yet but it will \$97 for the day. It will be 1/2 lecture demo and some hands on. It is going to be lots of fun you don't want to miss.

Connie Palmer

Come join Peggy, Connie, Deb and your best sewing friends for the most fun you can possibly have!
