Easier and more accessible sewing

Experience the modern technology of the computerized HUSQVARNA VIKING® EMERALD™ sewing machines. Advanced time-saving features make it faster and easier than ever to create beautiful projects for every area of your life.

EMBRACE CAPABILITY

- The large **Extension Table*** increases your sewing surface and facilitates fabric feeding.
- Sew bulky layers of fabric smoothly and easily with the HUSQVARNA VIKING® **Dual Feed Foot***. Perfect for channel quilting and topstitching!
- **A multitude of accessories** – presser feet, bobbins, needles and more – are included in the accessory box, conveniently placed on the free arm.

EMBRACE CONVENIENCE

- **Computer functions** save time and make your HUSQVARNA VIKING® EMERALD™ sewing machine easy to use.
- The **Sewing Guide Reference Chart** quickly guides you to the best choice of presser foot, stitch length and stitch width.
- The handy **Built-in Needle Threader** makes threading of the needle effortless.

EMBRACE INNOVATION

- The well-lit **InfoDisplay** shows you everything you need to know – selected stitch, recommended presser foot, and more.
- **103 stunning stitches** on the EMERALD™ 203 sewing machine and 83 stitches on the EMERALD™ 183 sewing machine inspire endless creativity. All stitch selections are made with a simple touch.
