Trapunto Christmas

Now for the fun things this is our last Christmas Class so come have fun...This will be our Trunk Show. So bring the things you have done in class and also bring one dozen cookies and we will have a cookie exchange party.

Supply List:

- Anita Goodesign Mix & Match, Trapunto Christmas C D
- We will be learning to do these lovely squares that you can make into a wall hanging or put on something of your choice.
- A plain fabric for the background will work best.
- You will only need about 2 square about 12 x 12 inches for class, now, this is for learning. If you are going to go on and make a wall hanging you need to purchase more... like maybe 1 ½ yards.
- 40 wt rayon thread of your choice
- Light weight tear-a- way stabilizer
- Batting about 3 layers of 12 x 12 inches
- 200x200 hoop or larger
- Sharp Scissors

All the things that go with your machine, USB stick , Please have the design you wish to do on your stick, have a new needle in your machine and bring extra needles.. Don't forget the things that make your machine run so well...then we all have a happy day...

I am looking forward to seeing all the things we have ready for our Christmas season....Also, if you have done anything on your own bring it to show us...

Can't wait to share...
