Mesh Bags

July 31, 2012 9:30 – 12:30

Join us for a fun time creating a very special pencil bag for your child just in time for school. Made out of mesh screening and fun fabric it is sure to delight any school kid. Learn to sew in a zipper, add a pocket and tabs to hook the bag into a binder.

Fabric requirements:

- 12" x 18" black mesh screen (available at Patty's)
- 1 - 6" strip of a really Cute fabric to make a pocket and tabs from. 1 fat quarter will do.

General Supplies:

- Machine in good working order
- Zipper foot
- General sewing tools. (ex. seam ripper, small scissors)
- Thread – black for the bag and one to match or contrast with your fun pocket fabric
- Rotary cutter, mat and ruler (6" x 12" will do)
