- With the press of a lever, the thread is pushed through the eye of the needle.

Large embroidery area

- Maximum embroidery field of 4" x 4". Includes one embroidery frame: 4" x 4".

Included operation manual and instructional CD

Overview

Unleash your design and creative potential with the Project Runway Limited Edition LB-6800PRW – the only Project Runway machine to offer embroidery! With computer connectivity, the LB-6800PRW will allow you to import embroidery designs directly from your computer, plus enjoy possible future machine updates. The combination sewing

and embroidery machine is fashioned with 67 built-in sewing stitches and 98 stitch functions, in addition to 70 built-in embroidery designs, 120 frame pattern combinations and 5 embroidery lettering fonts. Features like the built-in push-button thread cutter, advanced needle threading system and easy-to-view backlit LCD touch screen display provide a

heightened level of convenience to your sewing and embroidery. The included Project Runway custom fashion rolling bag makes taking the machine to classes and workshops as easy as can be! Let your abudding design skills flourish with the LB-6800PRW!
