

# SEWING MACHINES **AAA** VACUUM CLEANERS

*For People Who Are Serious About Sewing*

## **PFAFF Basics Classes**

### **Student Supply List**

For **all Pfaff Basics** classes:

- Your new Pfaff sewing machine, necessary cords, foot pedal, and all presser feet
- Sewing machine instruction manual
- Scissors
- Paper and pencil or pen for taking notes

For **Class 1**, **also bring**:

- 1 spool of Metrosene polyester sewing thread - white or off-white
- 2 or 3 spools of Isacord embroidery thread (floral colors and a green)
- Wash-out marking pen
- See-through ruler
- Straight pins

For **Class 2** (for machines with memory storage), **also bring**:

- Several colors of machine embroidery thread (Isacord recommended). You might want to try out a spool of variegated thread, just for fun!

For **Class 3** (for embroidery machines), **also bring**:

- Your embroidery unit, design card (not necessary for Creative vision model), embroidery foot, hoops, clips
- Plenty of embroidery thread to sew out embroidery designs - Isacord or 40 weight rayon in several colors
- Bobbin thread (there are several options - check with the store to make sure). Pre-wound bobbins, a spool of bobbin thread, or Mettler 60-weight cotton are all possibilities. White or off-white is the best color to start with.
- Package of Schmetz embroidery needles (either a package of needles in assorted sizes, or one package of size 75/11 and one package of size 80/12).
