

EFFORTLESS

All-Purpose Spot Remover

Effortless is a ready-to-use spotter, which requires no mixing. It's a specially formulated product that delivers maximum spotting efficiency. High performance design, yet safe and gentle enough for use on delicate "stain-resist" fibers. Recommended for all spotting tasks, from traffic stains to messy food soils and grime collecting oils, all are removed with less effort.

- **Solvent Fortified** - Dissolves both water and oil based stains. Effortless when used as directed will remove a wide variety of common staining agents.
- **pH Balanced** - Safe for use on all types of water wettable surfaces, including stain resist carpeting, upholstery, clothing and most fabrics.
- **Soap Free Formula** - Leaves no shampoo residue to attract soil, preventing further staining problems.
- **Effective** - Removes stains caused by blood, food, grass, beverages, catsup, grease, oil, mascara, shoe polish and heavy soil.
- **Easy-To-Use** - For carpeting, simply apply a generous amount to the stain. Allow time for chemical to penetrate then blot up with clean absorbent toweling. Use on any water-washable fabric that is color fast. Simply apply agitate and wash in the normal manner.
- **Versatile** - Effortless is primarily a carpet spotter. However it's versatile. This product is also effective on upholstery and is the ideal laundry spotter. *There is no need for a complicated spot removal kit.* When used according to directions Effortless will remove just about any spot from carpets and fabrics that are water washable.
- **Convenient Packaging** - Available in cases of 12 pints, 12 quarts, 4 gallons, 5 gallon pails, and 55 gallon drums.

Technical Data

Appearance	Clear, colorless, water thin liquid
Odor	Pleasing fragrance
pH Concentrate	7.0 +/- 0.5
Solubility	Completely soluble in water
Rinsability	Rinses film free
Specific Gravity	0.997
Viscosity	<10
Biodegradability	Complete
Freeze Thaw Stability	2 cycles
Shelf Life	Guaranteed one year
