

PLEASCENT™

Concentrated, Broad Spectrum, Multi-Purpose, Water-Soluble Deodorant

Pleasant™ is a synergistic combination of water soluble essential oils, aromatic ingredients and quaternary compounds. Ideal for tough odor problems, it overcomes unwanted odors rapidly and leaves a light, clean fragrance. This is a water soluble product and a true oxidizing deodorant. It is also a super concentrate and can be diluted with up to 100 parts water! Use in mop water, as a spray to eliminate bathroom odors, in the laundry to deodorize bed and personal linens, pour in floor drains and garbage disposals to fight sewer gas, spray it on trash containers. Non-toxic, non-sensitizing, biodegradable.

- **EFFECTIVE** – Contains a unique blend of quaternary malodor counteractants that use oxidation to permanently eliminate odors at their source. With its broad-spectrum properties it is able to handle a wide range of obnoxious odors including those emanating from smoke, sewage, chemicals, mold, organic decay, mustiness, – any malodor.
- **POWERFUL** – An institutional strength formula engineered as a pH neutral solution. Just 1 to 2 ounces of Pleasant, added to 2 gallons of warm rinse water or cleaning solution will leave an area smelling fresh and clean.
- **VERSATILE** – Pleasant can be used in conjunction with cleaners, disinfectants, and detergents . . . anything water soluble. It can be used daily to counteract odors simply mix one ounce of Pleasant into your regular cleaning solution to deodorize every time you clean. It is very effective when used in: mop water, rinse water, washing machines, carpet extractors, carpet shampoos, floor scrubbers, chemical foggers, peripheral spray devices, trigger sprayers, bed-pans, colostomy bags, etc. . . . Wherever water is used for cleaning!
- **Convenient Packaging** - Available in cases of 12 quarts and 4 gallons.
