

Circles and Curves

Maria Shell

<<http://www.mariashell.com>>

Supply List

- Sewing machine with a straight stitch and a quarter-inch foot and/or the ability to create a quarter inch seam
- Rotary cutter with a sharp new blade (45mm if you have one).
- Rotary rulers (bring your basic 6" x 12" or 4" x 12" rulers)
- Any templates or rulers you might have for creating circle or curved blocks.
- Rotary Mat
- Basic quilting supplies including straight pins, seam ripper, neutral thread, scissors and/or snips for cutting threads
- Measuring tape
- Small sticky note pad
- Paper and/or notebook and/or draft paper for making notes, sketches, and drawings about your quilt.
- Calculator
- Design wall (a large piece of flannel or batting works fine)
- Digital camera or cell phone with the ability to take pictures

Fabric

Please bring a selection of half yard cuts and fat quarters to equal four yards of fabric. We will be discussing how to use color and print in this class. So, you may need to purchase additional fabrics to get the look you want.

Notes on Circles and Curves

In this class, we will be exploring a variety of ways to make pieced circles and curves. We will experiment with cutting free-form circles and curves as well as using templates and rulers designed to create circles and curves. Once we have pieced an assortment of circle and curve blocks, we will discuss how to assemble these blocks into a single machine pieced composition.
