

Cotton Theory Supply List

Because you'll be sewing on a pre-cut kit, your supply list is minimal! Please bring:

Your best sewing machine in good working order with at least a zig-zag stitch.

Cotton Theory offers ample opportunities to use your decorative stitches and your embroidery unit!

Your sewing machine manual

Sharp Scissors (I'll bring Cotton Theory scissors for you to try)

1" x 6" ruler

Sturdy, sharp pins (we use Clover silk pins)

Cotton Theory Adhesive Quilting Guide (available at class)

90/14 topstitch needles

A few extra empty bobbins

Your walking foot for your sewing machine (unless you have a Pfaff with an IDT)

Please leave at home:

Your rotary cutter and mat

Your perfume! (many people are allergic)

You will also need:

The Cotton Theory pattern or book for your project (provided with many of the kits)

A pre-cut kit (available at the beginning of class)
