If you need to reserve a machine please let us know when you are signing up (some classes you have to bring your own).

Classes are only for those who have paid to attend the class. **No Children allowed unless they are taking the class.**

You must bring your own rotary cutter and cutting mat to all classes or you will need to purchase them at time of class. This will be strictly enforced.

Basic French Braid Quilt is a braid using strips, and is taught by Mary Nell Embroidery block of the month is a fun and is taught by Sylvia McNabb.

Rag Quilt - This is a great beginner sewing class. Samples in store! This quilt goes together fast. Must buy a kit. Taught by Kathryn McGrew or Huldah Ingram.

Embroidery Day/ Night - For anyone that has bought embroidery machine for me this is a day set aside to teach you something new about your machine. Taught by Sylvia McNabb.

Blowing Bubbles This quilt is made out of flannels and is finished like a cathedral window. It requires no extra quilting.

Embroidery Machine Help Day- If you bought your embroidery machine here and need additional help this is your day to come!

Sewing Machine Help Day- If you bought your sewing machine here and need help this is your day to come!

Sit N Sew- This is a fun say to come and sew on your current project. Bring finger foods or a lunch!

Merry Go Round- This is a quilt made out of the Strip Smart book using a Jelly Roll taught by Kathryn McGrew.

Hearts Afloat Quilt- This is a quilt made from half square triangles with Hearts around the border.

Monogram Wizard Help Day-If you bought your Monogram Wizard here and need additional help this is for you. Bring your lap top and CD and join us for an informative day.

Professional Tote-This tote makes a very versatile piece in your wardrobe of bags Computer tote, travel tote or diaper bag just for

starters. Has lots of pockets and lots of space. This is a two part class.

Serger Basic – Lecture demo - no machine needed. Learn to understand thread tension, threading, and the possibilities any serger welcome in this class. Future classes will depend on the capabilities of your serger. of your serger. This session will be followed by technique classes to show you how to use all these possibilities.

Build your own Embroidery Skills- Embroidery basics from stabilizers to hooping to needles & threads. Get ideas on how to use embroidery tips on perfecting your skills to get professional results. This is a lecture demo class – no machines needed. For beginners, but advanced embroiderers are welcome.

Quilt your own quilt is taught by Mary Nell Magee. You will learn how to layer and quilt your quilt on your sewing machine.

Crazy Star Quilt is a fun quilt that you slice and sew until you have the stars. No need to match any points.

Block of the month is a sampler quilt that you learn different methods of piecing. This is for eight months.

Scrappy Diamonds Quilt is a fun project to use up your scraps or jelly roll with 40 strips. You can make it a two color with accent fabric, it has patterns inside patterns.
