CRAFT HABIT

Craft. Love. Repeat.

Help us celebrate **TEN YEARS of Craft Habit** by making the longest multi-craftual "paper" chain in time for our big birthday celebration next October, 2026!

All crafts welcome!

The only requirements are that the link matches the template on this sheet, and the craft is flexible enough for us to connect it to the rest of the chain.

Just knit, crochet, sew, stitch, bead, bedazzle, fold, paint, braid, weave or otherwise craft one or more (flat) links at your leisure and drop them by the shop to be added to our ever-growing **Chain of Crafts!**

If you post your link, be sure to shoot us a tag!
