BLOCK ASSEMBLY PROJECT USES PRECISE 1/4" SEAMS. TEST YOUR SEAM ALLOWANCE BY CUTTING (2) 2-1/2" X 5" RECTANGLES. STITCH THEM TOGETHER ALONG THE 5" LENGTH. AT THE MIDPOINT, MEASURE ACROSS THE UNIT. IT SHOULD BE EXACTLY 4-1/2" WIDE. IF NOT, ADJUST YOUR SEAM ALLOWANCE AND REPEAT.

Note: The arrows in figures represent the fabric print direction. Pay attention to the fabric and unit orientations when assembling the various components.

1. Sew (1) B $2-1 / 2^{\prime \prime} \times 42^{\prime \prime}$ strip to each side of the $\mathbf{A}$ 34 " x 42" rectangle. Sew (1) B $2-1 / 2^{\prime \prime} \times 38$ " strip to the top and to the bottom of the A rectangle. Trim the block to measure 36-1/2" x 44-1/2" to make the Center Block.

| Left Side <br> Border | Right Side <br> Border |
| :---: | :---: |
| IA EA <br> G G <br> F H <br> D D <br> H F <br> G G <br> EA IA <br> D D <br> IA EA <br> G G <br> F H |  |

4. Follow the diagram and sew together (11) assorted $4-1 / 2^{\prime \prime}$ squares to make the Top Border.

## Top Border

## CA D EA G $\mathrm{H} \mid \mathrm{D}$ F G G $\operatorname{IA} \mathrm{D}$ D CA

5. Follow the diagram and sew together (11) assorted $4-1 / 2^{\prime \prime}$ squares to make the Bottom Border.

Bottom Border

## Quilt Assembly

6. Sew the Left Side Border and Right Side Border to the left and to the right sides of the Center Block.
7. Sew the Top Border and the Bottom Border to the top and to the bottom of the Center Block.

BORDER ASSEMBLY MEASURE WIDTH AND LENGTH OF THE QUILT TOP TO ENSURE J AND K BORDER SIZES, BELOW ARE OUR CUTTING SIZES.
8. Sew (1) J 2" $\mathbf{x}\left(52-1 / 2^{\prime \prime}\right)$ strip to each side of the Center Block. Sew (1) J 2" x (47-1/2") strip to the top and to the bottom of the Center Block.
9. Center (1) $\mathbf{K} 5-3 / 4$ " $x\left(70^{\prime \prime}\right)$ strip on (1) side of the Center Block and pin in place. Start sewing the strip a $1 / 4$ " from the top edge of the block and stop a $1 / 4^{\prime \prime}$ from the bottom edge. DO NOT TRIM THE EXCESS. Repeat with the opposite side.
10. Repeat Step 9 to sew (1) $\mathbf{K} 5-3 / 4^{\prime \prime} \times 62^{\prime \prime}$ strip to the top and to the bottom of the Center Block, making sure to stop and start $1 / 4$ " away from each end of the block. To miter each corner, fold the Center Block on a diagonal, wrong side together. This should line up the strips from adjacent sides (see diagram).
11. Starting at the sewn seam (represented by the arrow in the diagram), draw a 45-degree line to the edge of the fabric. Sew on the drawn line. Trim the excess fabric leaving a $1 / 4$ " seam. Repeat this step with the remaining corners to make the quilt top.

FINISHING Cut batting and backing 3 " larger than top on all sides. Layer backing, batting and top together and baste or pin. When quilting is completed, trim excess batting and backing. Bind as usual.

FINISHED SIZE: 57-1/2" x 65-1/2"

## Quilt Diagram

Note: If this Benartex pattern is included in a kit, any questions about the kit should be addressed to the vendor from whom you bought it.
