

40 Shades Confetti

Finished Size: 54" x 72"

1 Confetti Kit

1/2 yard binding

3-1/2 yards backing

From each of 18 strips cut (4) 9.5" x 3.5" rectangles for a total of 72.

From an additional 20 strips cut into 3.5" squares, 11 per strip for a total of 220.

Sew (6) 3.5" x 9.5" rectangles together on the long edge to yield a column 9.5" x 18.5"

Repeat 11 more times for a total of 12 "columns"

Using your 3.5" squares, create a column of squares sewn together 3 across by 6 down. This finished unit should measure 9.5" x 18.5".

Repeat 11 more times for a total of 12 units.

Sew your columns together, 6 columns across by 4 columns down, alternating rectangle columns with square columns.

If you start with a square column in the first row, start with a rectangle column in the 2nd row, etc.

Quilt, bind and enjoy!
