

# Starry Nine Patch Confetti

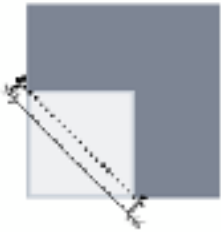

Finished Size: 57" x75"

1 Confetti Kit  
 3/4 yd. cream accent  
 5/8 yd binding

\*We recommend you press all seams open to avoid bulk\*

Cut all confetti strips into 3.5" squares (you should get 12 squares from each strip or 480 total)

From the cream accent fabric, cut (18) 3.5" squares and (144) 2" squares  
 Mark a diagonal line on the wrong side of all (144) 2" squares

On (72) of your 3.5" squares, place a 2" square on one corner (right sides together)

**\*Refer to diagram 1 for reference(left), dotted=sewn line, solid=cut line\***  
 Sew on your marked diagonal line and trim corner, leaving 1/4in seam allowance.

Fold open and press.

**\*Referring to diagram 2(right), repeat on adjacent corner\***

These 72 blocks will be your star points.

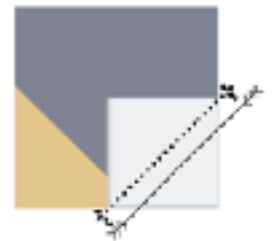

Now, make (18) starry 9-patch blocks using a cream accent for the center, (4) squares for corners and 4 star point blocks. **\*refer to diagram(left)**

Then, using (153) cut 3.5" squares, you will make (17) 9-patch blocks.

Set blocks, starting in top left corner with a star block, alternate star block with 9-patch.

5 blocks across by 7 blocks down and sew together.

\*note: row 1,3,5 & 7 have 3 star blocks and rows 2,4 & 6 have 2 star blocks

Sew 2 rows of leftover 3.5" squares around the outer edge of the quilt.

Quilt, bind and enjoy!
