Clover Chaco Pen

Pounce Iron-Off Chalk

#90 Top Stitch Needles

Curved Tweezers

Here are the items that you will need
to complete the **TempLee Quilting** project.

SnipEZE Scissors by Havel or Famore'

**Kits are available on my website
listed above.**

Includes the following:

1/2 yd. of fabric for front & Backing

Cut: (1) 18" x 20" and (1) 16" x 18"

16" x 18" of Pecker Fabric

16" x 18" of Heat 'n Bond Lite

Thread for quilting (not 100% Cotton)

18" x 20" Batting

May not be reprinted without permission.

TempLee Quilting

1. Fuse Heat 'n Bond Lite to the wrong side of the front fabric.
2. Layer:

Backing (wrong side up)

Batting

Peeker Fabric (right side up)

Spray Baste these layers together or fuse with Free Fuse.

Place Front Fabric (remove paper layer of Heat 'n Bond Lite) on top of Peeker Fabric -
Heat 'n Bond Side DOWN.

3. Proceed with design. Stitch with Polyester Thread. 100% Cotton Thread tends to break due to the layer of Heat 'n Bond Lite.
4. After design is complete, use Snip EZE Scissors by Havel or Famore' to cut out the desired sections.
5. After you have completed the cutting, it is now time to FUSE the Design.
6. Continue with project as desired.
