Note from Cedar Valley: I attached our policy sheet and highlighted a few things that guests may need to know. For snacks, you can bring in anything to your meeting room or

overnight room. We ask that they are not homemade if you are sharing them with others because of our food license. You are also welcome to bring in wine and beer, no hard liquor. Anything served in the dining room at meal times need to be purchased through us. Let me know if you need anything else.
