

How Do I Enter to Win? And the Rules are.....

First, there is no requirement that you purchase ANYTHING to win! We are encouraging you to get those unfinished projects out of the closet, get inspired and GET IT DONE!! There is also no requirement that your TShirt Quilt be quilted and bound. Although we can help you with this and it's always best to finish what you start, it is not required to qualify for the Challenge Prize Package. You only have to show the Quilt Top complete to enter to win. Good luck everyone and we are here to help you if you need anything!!

- ◆ On a piece of paper 8.5" x 11", and with a Sharpie Pen write:
 - Your first name only and the date you are taking the picture.
The date on the piece of paper must be in 2020.
 - Who is the quilt being made for (again, first name only & relationship).
 - What is the theme (sports, college, theater, concerts, profession, hobbies, rallies and annual conventions, to name just a few ideas).
 - What brand sewing machine or serger you will be using to make it.
- ◆ Take a picture of yourself and your pile of TShirts (not yet made into a quilt) holding the piece of paper and one of the TShirts that will be in the quilt.
- ◆ Email this picture with your contact information including name, address and day time phone number in the body of the email to info@quiltingdelights.com. The team at Quilting Delights will track all entries and follow up with you to make sure we get your finished quilt top picture so you are entered to WIN!!
- ◆ Sew the quilt top. It can be any size but needs to have at least 12 TShirts in it to qualify for any of the prizes in the Challenge Prize Package.
- ◆ All TShirts must to be backed with a knit stabilizer. All TShirt Quilts must have sashing, blocks or other fabric (of your style, size and choice) between and around the TShirts. Quilts with just the TShirts sewn to each other will not qualify. We are interested in seeing your creativity and ingenuity!
- ◆ When you have completed your quilt top, take another picture with your face showing and email that (again with your information in the body of the email and no later than December 15th, 2020) to info@quiltingdelights.com. It will be matched up with your first picture. As long as the TShirt you had in the first picture is in the quilt, you are qualified to win! That's it! With the above rules followed, you are entered into the drawing for the TShirt Quilt Challenge Prize Package!! Winners will be picked randomly from the qualified entrants and are limited to United States residents only.
- ◆ By entering to win, you agree to let us use your pictures and first name only for promotional purposes. And you agree to take pictures of yourself with your winnings, if you are a winner. None of your personal information will ever be revealed publicly for any reason whatsoever.
