

Bernina Airy-T Supply List

Serger (with coverstitch capability if possible, but if not then hems will need to be done at a later time)

Matching thread: We will be using a 4 thread overlock stitch and 2 thread coverstitch. The sample uses 2 spools of regular serger thread and 2 spools of textured thread (i.e.: Woolly nylon thread)

Suitable knit fabric for the desired size as indicated by the fabric requirement chart below. (Please note that we will NOT be making the woven fabric option in this class)

Printed pattern

Fabric scissors

Marking pen

Chalk

Pins or Wonder Clips

Large eyed needle or Sew Hookey to bury thread chains

Please print out and tape together the pattern before the class. If you are new to printing patterns at home, please speak with Amanda or check out the video link on the SQC website.

Additionally, please remember to pre-wash your fabric to avoid shrinkage after the garment is completed.
