

Iris Fabric Collage Information and Supply List

Iris pattern - purchased from MooFaceDesigns.com. Open the “Shop” window and “Iris” is on the first page. The cost is 6 Euros (converts slightly higher in dollars). After payment, you will receive a small and large pdf file.

Print 3 copies of the **Large pattern in black and white and save it to your files. You can print 1 copy in grey scale and one of the color photo (or just view from your laptop, iPad or phone to save yourself the ink).

DO NOT ASSEMBLE PRIOR TO CLASS.

Fabrics:

Iris is made in a color of your choice. A batik jelly roll in a color way works well, or cotton fabrics in a choice of lights, mediums and darks. Background of your choice will be discussed in the first class.
