

The Daisies Fabric Collage Information and Supply List

The Daisies pattern - purchased from Fabriccollagepatterns.com. Open the "Shop" window and type in "Daisies" in the search bar. The cost is 6 Euros (converts slightly higher in dollars). After payment, you will receive a small and large pdf file.

Print 3 copies of the **LARGE pattern in black and white and save it to your files. You can print 1 of the grey scale and one of the color photo (or just view from your laptop, iPad or phone to save yourself the ink).

DO NOT ASSEMBLE PRIOR TO CLASS.

Fabrics:

For Daisies you will need a lot of green scraps for the background. The daisies are done with whites, creams, light grays, yellows, golds and browns. Background fabric will be discussed in the first class.
