

Serger T-Shirt

Wednesday, January 27

\$25.00

Fabric and pattern needed 9:30—2:00

T-shirt

Learn to make a basic t-shirt using your serger and those great knit fabrics at Johnston's. You can make adult size or kid size.

Bring a basic pattern of your choosing. I suggest using a rounded neckline to start with. No pockets, just basic front and back with sleeves (any length). Bring fabric according to pattern or more if you plan to make adjustments:

*****knits only*****

Notions needed are 4 regular serger thread cones. Bring all supplies needed for your machine. Be sure to bring your knit binder (15mm).

If you do not have a Triumph or Ovation, it would be a good time to test the new Baby Lock Euphoria cover stitch machine for your neckline. You can use your smaller serger to make a t-shirt; the neckline is different for an overlock and a cover stitch.

For best fit, bring t-shirts that you already have for fit. I used one for length, and a different one for shoulders and hips. I'll help you adjust your pattern.

Watch for pattern sales at Hobby Lobby, JoAnn's, or Walmart. Or bring one you already have.
