Wednesday January 13 1:00—4:00 Cost \$25.00 **Kit provided.**

Need a different design to put on your project hanger? Learn to create your own simple applique by looking at an existing picture or diagram by using the tools in your design center such as circles and other shapes to create your design.

For kits to be made, please sign up by Tuesday, Jan. 12th
Thanks!

Please bring the 8 x 8 or the 9 $\frac{1}{2}$ x 9 $\frac{1}{2}$ hoop with a piece of batting to fit the hoop you bring. Alternately, you can hoop no show mesh and bring batting to float. I will bring the felt/fabric/glitter sheet pieces you need for the design which will be about 7 x 7 finished. Kit also includes red buttons.

Bring your Dream Machine(2) or Destiny(2), Embroidery Foot and module, and Sensor pen. You do **not** need your scanning mat.

Suggested colors of thread for you to bring:

- Blue (kit includes Kimberbell "sky blue" glitter)
- Red (kit includes Kimberbell "red" glitter)
- Black (kit includes Kimberbell "black" glitter), plus eyes, mouth
- White (stippling snowman)
- Orange (carrot nose)
- Green (holly leaves) pick a brighter green that will show next to black
- Brown (wooden sticks)
- Metallic silver for embroidered snowflakes
