Backing:

- If customer provides backing, it must be 5" larger on every side
- If backing is pieced, all selvage edges must be trimmed off, squared up and ironed seams OPEN

Preparing for your longarm quilter

- Press your quilt and backing
- Trim loose threads so they don't snag during quilting
- Serge or sew along pieced edges to prevent seams from pulling apart
- If you provide backing, it must be 5" larger on every side, no bed sheets will be accepted
