

The Detailer

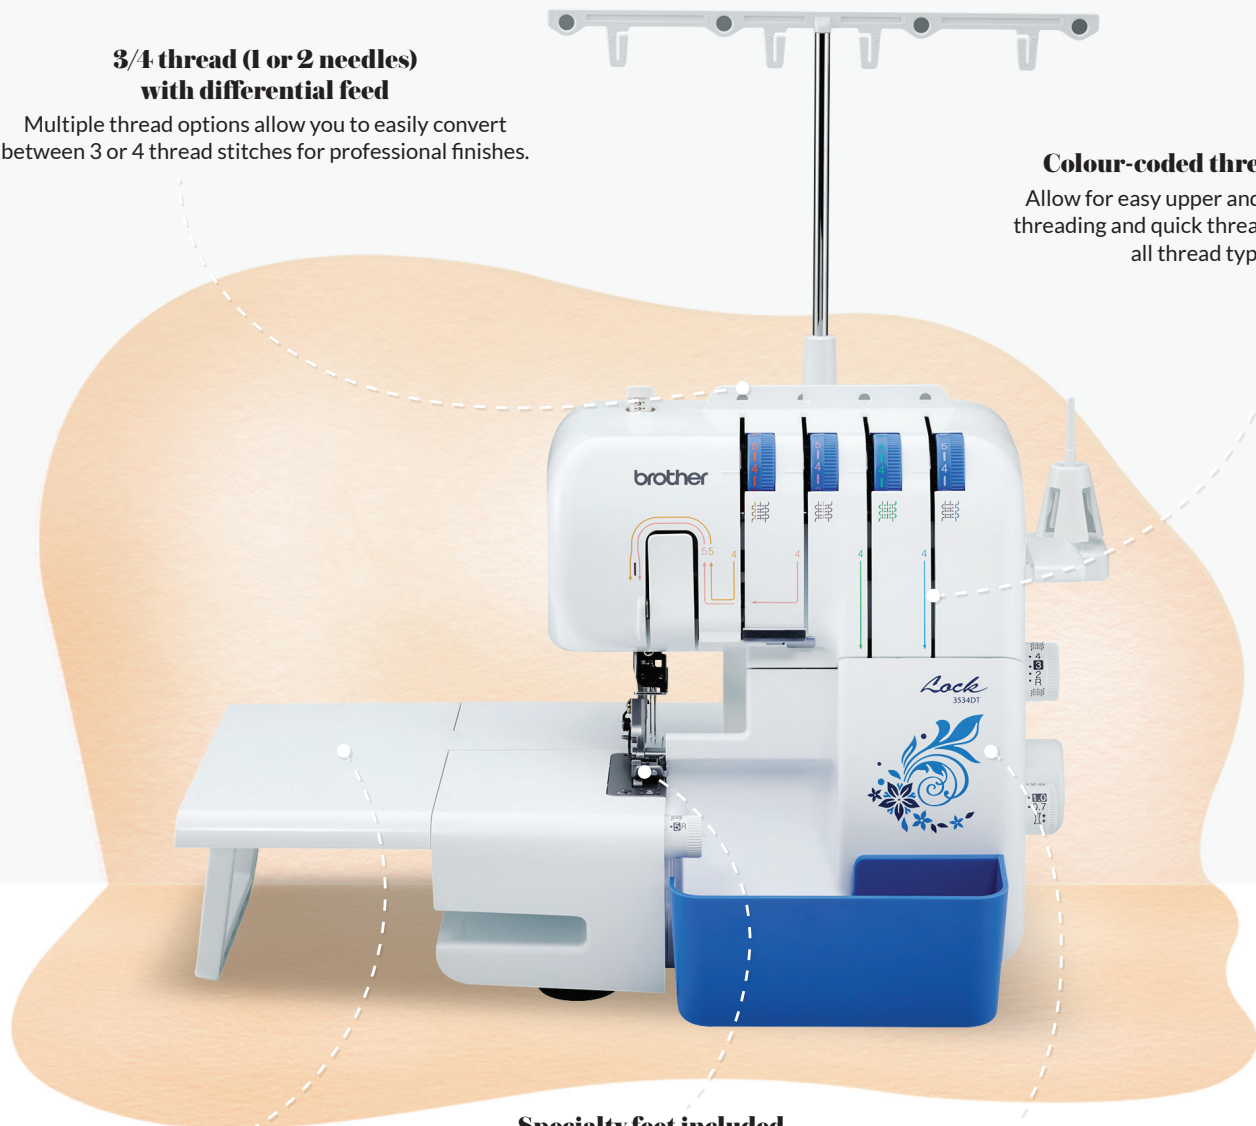

Serger - 3534DT

3/4 thread (1 or 2 needles) with differential feed

Multiple thread options allow you to easily convert between 3 or 4 thread stitches for professional finishes.

Colour-coded thread guides

Allow for easy upper and lower looper threading and quick thread changes with all thread types.

Large extension table and free arm

Adds extra space for handling large projects and the free arm makes it easier to sew sleeves, trouser legs and other hard to reach places.

Specialty feet included

Blind Hem Foot, Gathering Foot

Up to 1,300 stitches per minute

Saves time when sewing and completing serged edges.

The Detailer is the perfect model to round out the Brother line-up. It is fast, easy to use and easy to thread! The free arm makes it easy to sew sleeves, trouser legs and other hard-to-reach places, and the included wide table is the perfect tool for your larger projects. The brightly lit LED workspace allows you to see the smallest of details as you serge your projects.
