QUILTING WITH PIZZAZZ

If you haven't met Joan Friedrich from Baby Lock you won't want to miss this opportunity March 19-21. If you have been lucky enough to take a class from Joan, then you know this is an event not to be missed. Joan was last here about six years ago for a serger event.

Joan has worked in the quilting/sewing industry for more than 28 years-20 of those years with Baby Lock. She created "Serger Crochet." She is Martha Pullen and Sulky Certified and was a special guest on the popular show, Sewing with Nancy. As you can see, Joan has a ton of experience and she can't wait to share it with you!

She's created seven projects including quilting and embroidery. You are sure to leave class having learned a ton of great tips and techniques.

If you've never tried machine embroidery, this is a great way to get your feet wet and test it out. If you love it, we'll have some great specials on embroidery machines. If you don't love machine embroidery (unlikely, but possible), you'll leave with some great tips to improve your quilting and seven fabulous projects.

If you don't own a Baby Lock embroidery machine, we'll supply you with one to use. We will also have all the fabric, stabilizer, and other supplies you need. The only

thing you need to bring is thread (or you can purchase a thread kit). If you bring your own embroidery machine, we'll give you a free cleaning before or after the event as our thank you for bringing in your machine.

Quilting with Pizzazz is just one of exciting events we have coming up in the next few months.
