for the sewist in the know

NATIONAL QUILTING MONTH

It's National Quilting Month and we've got a month of activities to celebrate!

Do you know how to choose the right batting for your project? Join us this month for **Batting Basics** to learn about the different types of battings and how to choose. We'll also have samples so you can see how different types of battings will feel in a quilt.

Joan Friedrich, Baby Lock National Education Specialist will be here for **Quilting with Pizzazz** to help us bring our quilting to the next level. You'll make seven projects in three days while having a great time sewing with friends. Joan needs time to put together all the kits so you are running out of time to sign up for this one. You can get all the details on page 8.

Is learning to quilt on your to do list? Do your quilting skills need refreshing? This is the month to join us for **Beginning Quilting** as the whole class has gotten a revamp! We've got a new project and a whole new class structure. You'll learn how to accurately cut your fabric, match your points, add borders, and so much more.

Tula Pink's new fabric line, **Homemade**, arrives this month. You don't want to miss this gorgeous fabric featuring the tools we use everyday: scissors, cutting

mats, pins, sewing machines, and more. The line features three colorways: morning, noon, and night. Tula Pink also has coordinating tools like scissors, tweezers, and rotary cutters in an iridescent purple. You'll want to stop in the shop around mid March to see the full line of fabric and tools.

CLASSES

BEGINNING QUILTING

Wednesday, March 4, 11, 18, & 25:
1:00-4:00 pm or 6:00-9:00 pm

Do you want to learn to quilt or improve your skills? This is the class for you; no experience needed. At the end of the 4 sessions, you will have learned the basic skills of quilt making: fabric selection, rotary cutting, accurate piecing, setting triangles, adding borders, quilting, and binding. In the first class, we'll be discussing tools and selecting fabrics. A 20% discount will be given on supplies purchased during the first class. We want to make sure your quilt is completed at the end of the four sessions, so there will be homework each week. Bring your own machine. Class fee is \$75 plus supplies and book.

BEGINNING SEWING: LINED DRAWSTRING BAG

Tuesday, March 24: 1:00-4:00 pm or 6:00-9:00 pm

If you have little to no sewing experience, this class is for you! While making this bag, you'll learn rotary cutting skills, boxing corners, and how to insert a drawstring. This is the second project of 12 from the book, *School of Sewing*. We'll be working through all of the projects in the coming months. The book is a great reference guide as you learn the basics to sewing and purchase is required for class. The class fee is \$30 and includes all fabric and supplies needed (with the exception of the book). You'll have 10 minutes at the beginning of class to select your fabrics, so feel free to arrive early if you want more time to select your three fabrics. Bring your own sewing machine or borrow one of ours. Class is open to those 16 and older.

CEDAR MILLS

Monday, March 9: 1:00 pm or 6:00 pm

Would you like to improve your accuracy as you stitch up the Cedar Mills Block of the Month? Each month we will demonstrate the technique and rulers used for the monthly block. We'll also provide modified fabric cutting instructions if you'd like to use the featured ruler.

In March, we'll be demoing a quick way to make four flying geese using the Wing Clipper tool.

DEMO & DESSERT

Tuesday, March 17: 1:00 pm or 6:00 pm

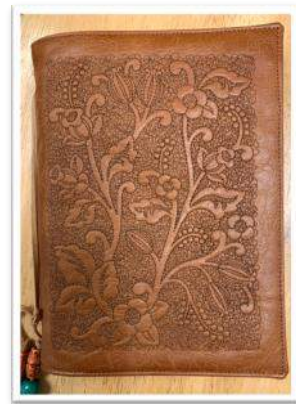

We'll provide a tasty dessert while you learn about new products, machines, or fabrics that have arrived in the past month. Receive a 10% discount on any new items highlighted that day.

PIECED BLOCK OF THE MONTH CEDAR MILLS

Cedar Mills is a dazzling quilt featuring Speckled from Ruby Star Society. This fabric has hints of metallic giving it the appearance of paint splatter. You have an option of a dark background or a light background (both grunge).

You also have two different layout options: one more modern and one more traditional. The blocks in both quilts are set on point.

Each month you'll receive one block pattern and the fabric needed to complete that block. Each month we will demo an optional Studio 180 ruler that will assist you in piecing the blocks. The Studio 180 tools have instructions to piece oversized blocks and then trim to the exact dimensions.
