MERRY STARTS HERE

# BOOK CLUB

where quilting books come to life

Each month at Book Club, we'll discuss a new quilting book. Share any new tips you learned, what you liked about the book, and what you didn't. We also invite everyone to bring a project they made from the book. Everyone at Book Club will be able to vote on their favorite project. The winner will receive next month's book club selection for free. If the winning project was made using current Rae-Bon fabric, it will be kitted and sold at Rae-Bon with the creator's name on the kit!

## MARCH'S BOOK SELECTION: ON A ROLL By Moda All Stars

Do you like precuts? *On a Roll* is full of projects using jelly rolls. You save lots of cutting time using precut strips when assembling these quilts. Projects in the book were created by some of your favorite Moda designers: Lisa Bongean, Joanna Figueroa, Sandy Kop, Anne Sutton, and more. The projects in the book are larger quilts but can be easily modified to make table runners or small wall hangings.

**Next Book Club Meeting:**  
Monday, May 27 from 2-3 pm

**Book to Discuss:**  
Text It by Sherri Noel

## CLASS POLICIES

Call or stop in to sign up and pay for the class of your choice. Class fee is due when you register.

Phone registrations (701-433-7203) accepted only with a credit card payment.

The class supply list will be available when you register and pay for the class. Supplies are not included in the class fee unless otherwise specified. Please have supplies purchased before class. Kits required are available at the store. No photocopied patterns or books will be allowed in classes.

We consider your enrollment to be a commitment by you to take the class and we in turn make a commitment to the instructor. No cancellations are allowed on classes. Thank you for not asking us to make exceptions.

Your sewing machine or serger must be in top working condition before you arrive at class. Students whose equipment is not working properly disturb and slow down the class. We service all brands of machines and sergers so come see us prior to the start of the class.

If you get together a group of 2 or more friends, we would be happy to setup a class date and time just for you.

# CLASSES

## YEAR OF THE BAG LADY: WIRE FRAME TOTE

Tuesday, May 7: 6:00-9:00 pm

The Wire Frame Tote is a terrific tote to carry all sorts of goodies! A wire frame at the top edge makes the totes extra

sturdy. Remove the wire frame and they're washable! Hook and Loop tape holds the wire frame securely in place. Fusible Soft and Stable makes nice stiff sides that you don't have to quilt. Class fee is \$25.00. Purchase of pattern and supplies is required for class. Bring your own sewing machine or borrow one of ours.

## BEGINNING SEWING ACADEMY: DRAWSTRING BAG

Thursday, May 9: 6:00-9:00 pm

Beginning Sewing Academy is for those with little to no sewing experience who want to learn the basics. We will be using the book, *How to Machine Sew*, to guide our classes. This is a great reference guide and includes projects. These classes are open to those 16 and older.

Each month we'll offer a new class, but classes can be taken in any order. Complete all 9 classes and you'll earn a special graduation gift - 25% off the purchase of your next project. In March, we'll learn about casing and make a drawstring bag. Class fee is \$20. You will also need to purchase supplies. Bring your own sewing machine or borrow one of ours.

## BEGINNING QUILTING

Wednesday, May 15, 22,  
29, & June 5:  
6:00-9:00 pm

Saturday, May 18 & June 15:  
10:00 am-4:00 pm

At the end of the 4 sessions, you will have learned the basic skills of quilt making: fabric selection, rotary cutting, accurate piecing, adding borders, quilting, and binding. Come to the first class with your supplies or you can come early and purchase right before class starts. We will be cutting fabric and sewing during the first class. There will be homework to be prepared for the next session. 20% discount will be given for purchases listed on the supply list. Supply list will be given when you register for the class. No experience necessary. Bring your own machine. Class fee is \$75 plus supplies and book.

## DEMO & DESSERT

Tuesday, May 21: 1:00 pm or 6:00 pm

We'll provide a tasty dessert while you learn about new products, machines, or fabrics that have arrived in the past month. **In May, we'll be returning from Quilt Market and will have lots of fun new items to share!** Receive a 10% discount on any new items highlighted that day.

## KIMBERBELL EMBROIDERY CLUB

Due to the ISQS, Kimberbell Embroidery Club is moving to Friday, May 10: 1:00 pm or 6:00

Each month we'll demo a Kimberbell project exclusive to club members. This is a demo class only; no embroidery machines needed. Bring your jump drive to the club meeting each month to have designs transferred. In May, we'll demo the Rain Boot. The cost of the club is \$72 and includes 13 exclusive club designs.

## SABLE SYNDROME CLUB

Friday, May 17: 11:00 am

**SABLE  
Syndrome  
Club**

SABLE Syndrome Club meets once a month and each month you'll receive a free scrappy pattern. We'll have different fun and games each month.

The one time club fee is \$50. For signing up, you'll receive the Patchwork Pocket Planner to help you get organized. There is a place to map out all the projects you want to get done for the year. There's also space to keep swatches of some of your stash.

Come for the fun & games at 11 am. If you'd like to bring your sewing machine, you can stay and sew with club members all day.

## YOUTH SEWING

Saturday, May 11: 1:00 pm - 4:00 pm

Let's brighten up your room with a fun whimsical flower pillow. This pillow has a large appliqued flower and will be the perfect accent pillow on your bed. This is a great project to learn the how to applique while making a fun pillow.

Class fee of \$25 each month includes all project supplies and use of a Baby Lock machine. While not required, parents, grandparents, or adult friends are welcome to come assist their budding sewer.

Never enough time to get everything done? Join us to sew with friends (or make some new ones). Treat yourself to a mini-retreat!

**Monday, May 6: 10 am-5 pm**

**Thursday, May 23: 10 am-5 pm**

**Tuesday, May 28: 10 am - 5 pm**

Bring your machine and project to work on.

Advance registration is required to save your spot.
