A GIFT FOR EVERY MONTH OF 2022

AURIFIL COLOR BUILDER

Gorgeous new thread every month, what's not to love? Aurifil has selected a collection inspired by plants of the rain forest. Each month you'll receive two spools of variegated and one spool of solid 50 weight Aurifil thread. The subscription begins in January 2022 for \$39.99 a month. Sign up now to reserve a spot.

OESD SPREE CLUB

Expand your embroidery design collection with the OESD Spree Club. Each month you'll receive all the new releases from OESD and Scissortail Stitches (6-8 collections). Collections have an average cost of \$40 so it's quite the savings when you can get a whole year of new releases for \$599 (digital) or \$749 (USB) per year.

HOOPSISTERS BOM

Build a new skill each month with HoopSisters Block of the Month. This is an eight month block of the month beginning in February 2022. Two different sizes and two different layouts are available for this machine embroidered quilt. The total cost for the embroidery CD is \$139.

“

I want the Aurifil Color Builder for Christmas. I am SOOO excited to build up my thread collection especially with variegated Aurifil thread!

”

GIVE THE GIFT OF EXPERIENCE

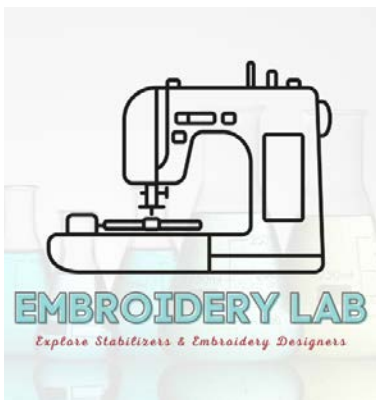

FOR THE BEGINNER

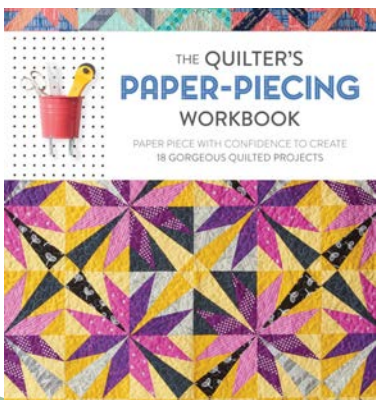

Do you know someone who wants to start quilting or brush up their skills? Beginning Quilting is the perfect class to get them started. Over the four sessions, Emma takes students from picking out fabric to sewing a binding on their finished table topper and everything in between. The class is offered on Wednesdays from 1-4 pm or 6-9 pm. The class fee is \$75. Supplies are not included in the class fee.

FOR THE MACHINE EMBROIDER

Each month in Embroidery Lab we stitch up a new machine embroidery project. It's a great way to learn different technique and try out different stabilizers. Each month is a different type of project and features different designers. The embroidery design and stabilizer is always included in the class fee. In January, we will be making a birthday table runner or banner (you choose!). The class fee is \$30 and includes the embroidery design and stabilizer.

FOR THE TECHNIQUE SEEKER

Our new paper piecing club is perfect for anyone who wants to learn to paper piece or expand their skills. Each month we'll work on a different project to expand our paper piecing skills. No paper piecing skills needed to join. The 12 month club is \$300 and includes the Quilter's Paper Piecing Workbook and printed patterns each month. Each month class attendees will receive a coupon for 15% off the next month's kit.

AN EXPERIENCE FOR A GROUP

Rae-Bon is opening an escape room!

This special activity is only available for a limited time! The escape room will be open from December 6-31. Teams have one hour to solve the mystery and reservations are required. The escape room is \$10 per person.

ANOTHER SEW LAST MINUTE CHRISTMAS

Bonnie Rae's family is always snooping to see their Christmas gifts ahead of time. But not this year! Bonnie Rae hid them so well she can't even remember where they are. She needs your help! The gifts are hidden in her sewing room and she left a few clues. The party starts in an hour, so she needs your help to save Christmas and find the presents.

WHAT IS AN ESCAPE ROOM?

Participants have one hour to uncover hidden clues, crack codes, and solve puzzles to solve the mystery. The room isn't actually locked and you can leave at any time. There is also nothing scary in the escape room - it's just your average sewing room with a few hidden clues.

WHO IS AN ESCAPE ROOM FOR?

Put down those phones and share your love of sewing/quilting with your friends and family while solving puzzles. The puzzles are all quilting/sewing themed but you don't need to sew or quilt to solve these puzzles. The room is built for groups of 2-5. Some team members may be great at jigsaw-type puzzles whereas others are good at analyzing a set of patterns. Solving the puzzles is a team effort! Participants aged 10-16 need to be supervised by an adult.

This rechargeable lamp offers three different levels of light to help you see whatever you're working on perfectly. \$65

time to splurge

CUTTERPILLAR LIGHT TABLE

A light table is useful for all different kinds of projects: applique, paper piecing, and more. We love this Cutterpillar table because it has three different light levels and comes with a self healing cutting mat. The 13x19 tablet is \$139.99 and has a rechargeable battery, so you're not tied to an outlet. A larger 19x26 tablet is available for \$199.99 (this one does not have a battery).

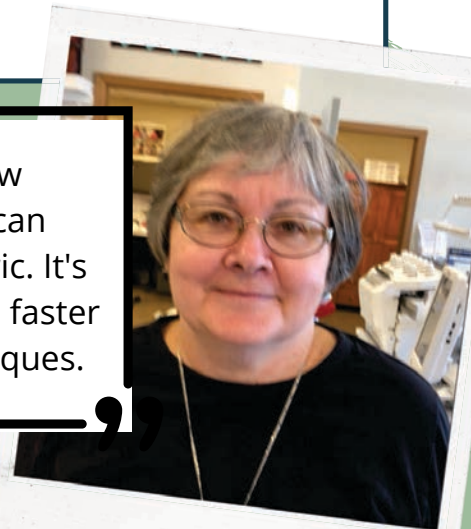

DECORA THREAD BOX

Decora thread is a 12 weight thread. We like it for stitching when you want the thread to be a little more noticeable: topstitching, embroidery, or in your serger. This thread set includes 28 spools of thread in solid and variegated. \$259.99

SCAN N CUT

The Scan N Cut is one of our favorite new tools! You can cut fabric, felt, paper, vinyl, and more. A plethora of designs are built into the machine, but you can scan any drawing to make a cut file so the sky is the limit. The sewing and crafting projects are endless, but here's a few things you can do with your Scan N Cut: speed up cutting applique designs, create vinyl designs for t-shirts, or cut quilt blocks. Prices range from \$600-\$1,200 depending on features.

“ For Christmas, I want a new Scan N Cut. Being able to scan applique patterns and cut fabric. It's going to be so much easier and faster to create detailed fusible appliques. ”
