

Correction to Ocean Rhythms Pattern – JAD52

This correction relates to King Cutting Instructions only.

If your pattern pages 1-6 reference © **Ocean Rhythms (v1) – Jan Douglas Design – 2014** at the bottom of the pages, the names of the fabrics in the King Cutting Charts on Pages 2 and 3 do not match the names of the fabrics on the cover. Fabric numbers are correct – but some of the reference names below the number do not match the cover which may cause confusion.

The column to left is the original pattern reference, the column to right is the correct reference in **red**.
