

## TRANQUILITY – V1 CORRECTION

This pattern had a typo in Fabric 5. If you cut the square and the remaining strips vertical instead of horizontal, you may still have enough fabric to cut a second correctly sized square.

If you purchased the kit in the original fabrics from me, the binding is from the same color and you can cut the correct size square from the binding. If you purchased your kit elsewhere, I cannot guarantee that they created their kits from the exact fabrics used in my pattern.

Correction stated below in **RED**.
