Current CANCELLATION POLICY:

Please be sure that you understand our cancellation policy BEFORE you register for a retreat. We make no exceptions to this policy. Sorry to sound stern but we need to keep this "black and white" policy fair for everyone. Below is our current and continuing cancellation policy:

- ✂ Should you need to cancel, you must contact us either by telephone or in person. Cancellations received at least 60 days prior to retreat date will receive a full refund at time of cancellation.
- ✂ If you cancel less than 60 days prior to the retreat, a full refund will only occur if your seat is filled from our waiting list. Every attempt will be made to fill your space from our waiting list, however we do not begin taking names for our waiting list until a retreat is sold out.
- ✂ If your space is filled from our waiting list, we will refund your entire retreat fee approximately 2 weeks after the date of your cancelled Retreat. Also if your seat is filled you may put or you may use your refund fee toward the purchase of a future open retreat date.
- ✂ Retreat fee does not constitute "ownership" of your space. You may not sell, trade or barter your space to anyone else.
