## A NOTE TO OUR FRIENDS

At the Berry Patch everyone has received both Covid-19 shots and so we are feeling more protected and are ready to loosen the store requirements. We will continue to wear our masks and ask customers to do the same. However, if you choose to not wear the mask, that is acceptable as well. We have loosened the classroom participation to wear your mask as you see fit. We continue to sanitize the store and encourage hand washing. We are hopeful that all of you have received the shots and the protection it affords.

Many of you have waited for your new Berninas for quite some time. I wish I could say the waiting was over but I'm afraid the wait continues for several models. The issue is not production but rather shipping. Shipping times are two to three times the normal. Containers are in short supply as well as the movement of containers from the ports to home base are a problem. We are slowly working our way out of the problems with just a couple of models still in transit. We are hoping to clear all the backorders in May or perhaps early June. We apologize for the delay. Unfortunately, Berninas are not the only problem. A wide variety of other products have months long delays.

With other news...and because many have asked, an update about Shirley. To bring you up to date, Shirley has two types of blood cancer. She is in the first month of seven months of treatment and is doing fine. The long term prognosis is excellent. We are grateful for the excellent care she is receiving from Texas Oncology. Thank you for keeping her in your prayers.

# BERRY PATCH FABRICS & BERNINA LONGARM

We have four Bernina Longarm options for you! Our Longarm is available to rent by the hour. It is available with and without our Qmatic computerized quilting system. We do require you to complete our three hour training course for free-motion quilting and our 3 hour Qmatic course, if you choose that option. More details are below –

1. Hourly Free Motion rentals require that you complete our three hour, one-on-one free motion course. The course includes cleaning, oiling, threading, and loading bobbins, and loading the quilt, etc. you will also get a "zippered leader" set for use on your future rentals.

Practice time is included and ruler work will be covered, if time permits. You will receive two hours at no charge if you rent within two weeks of your training. This preparation course is \$150.00.

Future Free Motion Rentals are \$20 per hour.

2. If you choose the Qmatic option, you will take our 3 hour, one-one course on the use of the automated system. A prerequisite for this course is that you must have completed your two free hours of free hand quilting work to reinforce your skills. You will learn to use the Qmatic to design and sew our edge-to-edge quilt, boundaries, markers, drop-in, and other techniques, if time permits.

This training course is \$75. The Qmatic rental with the Longarm system is \$20 per hour. This option is a two hour minimum.

3. We also offer rental for our "sit down" Bernina Q16. The training course is one hour of one-on-one training to become familiar with the Q16. Cost is \$25. This includes practice time. Rentals afterward are \$10 per hour.

4. All Bernina Longarm products are available for sale at the Berry Patch. We would be pleased to discuss any prices and other purchase details. Long term training and support is included.

## Shirley's Recipe Corner

In the spirit of true disclosure and transparency (buzz words these days), I must admit I have never made this cake. I saw it on the internet and downloaded the recipe and filed it away in the "to make someday" folder. It sounds like such a good summer cake that I thought I'd share it. We can all test it out together.

### Key Lime Pound Cake

- 1 c butter
- 1/2 c shortening
- 3 c sugar
- 6 large eggs
- 3 c flour
- 1/2 tsp baking powder
- 1 C milk
- 1/8 tsp salt
- 1 tsp vanilla
- 1 tsp lime zest
- 1/4 c key lime juice

### For glaze

- 1 c powdered sugar
- 2 Tbsp key lime juice
- 1/2 tsp vanilla extract

1. Preheat oven to 325 degrees. Beat butter and shortening at medium speed until creamy.
2. Gradually add sugar beating at medium speed until light and creamy.
3. Add eggs, one at a time, beating just until blended after each addition.
4. Sift together flour, baking powder, and salt.
5. Add some flour to butter mixture.
6. Alternate with milk. Beginning and ending with flour mixture. Beat at low speed until blended.
7. Stir in vanilla, lime zest, and lime juice.
8. Pour batter into greased and floured 10-inch (12-cup) tube or Bundt pan
9. Bake at 325 degrees for 1 hour and 15 minutes to 1 hour and 20 minutes or until toothpick inserted comes out clean.
10. Cool in pan on a wire rack 10 to 15 minutes
11. Prepare the glaze.
12. Remove cake from pan.
13. Immediately brush glaze over top and sides of the cake.

# SCHEDULE OF CURRENT SEWING CLASSES

Many classes have kits that are required and we have tried to keep their expense to a minimum. Many classes do not require a kit, but do require supplies. We ask that you purchase the class supplies from the Berry Patch. This is the only way we can maintain low class fees.

Our classes are presented for the individual use of those attending. If you teach somewhere else or plan to do so, please let us know. We have different class fees when we train teachers.

Most classes fill quickly, so we suggest you register early to reserve your spot! Whenever there is a question about you participating in a class, don't hesitate to discuss it with us. We try to accommodate everyone if possible.

 This symbol represents classes that require you bring your sewing machine.

 This symbol represents classes that specialize in handwork.

**Skill Level I** - Some sewing experience will be helpful. Basic use of your sewing machine may be required. Some Skill Level I classes are true beginner's classes and you start from the very beginning.

**Skill Level II** - These are not basic sewing classes, so you will need a background...perhaps the basic classes or experience in other areas of sewing. When machines are required, you should be familiar with the functions of your specific model of machine.

We believe that our class schedule is an important part of the service we provide. Our teachers and staff work hard to provide quality training in many areas and we appreciate your participation.

We ask that you sign up for the classes you wish to take as soon as you decide, rather than wait to see if the class makes with the minimum three students. This will help us with scheduling.

Finally, we ask that you call us if you have signed up and paid for a class, but are unable to attend. If you call us three days before the class date, we will be happy to refund your fee. This happens often and the class space is unused. Many of the classes have a waiting list of students that would like to attend. Thanks for your understanding!
