

Blue Heron Stitchery Presents

The Tiffany by Sallie Tomato

STUDENT SUPPLY LIST

DATES OF CLASS: Saturday, May 16, 2026

Time: 10:30 – 5:30

INSTRUCTOR: Barb Johnson, Sallie Tomato Certified Educator

CLASS FEE: \$40 plus \$15 non-refundable registration fee

Class Description: The Tiffany is a chic satchel bag which is perfect for everyday style. The pattern has been designed to avoid using bias binding. The bag name was inspired by the movie *Breakfast at Tiffany's*. You'll love traveling with this bag: the adjustable strap and handles offer versatility, the slip pockets and the luggage style zipper closure provide space for your essentials.

WHAT TO BRING:

Please bring your sewing machine in good working order. Since we are only familiar with the machines we use, we may have limited knowledge of other brands. We would suggest you bring your manual just in case you need to refer to it during class.

Sewing supplies: Rotary cutter, scissors, binding clips, double sided tape, zipper foot, and general sewing supplies. A Teflon foot is very helpful.

Bag supplies: Sallie Tomato Tiffany Pattern, Nylon Coil #5 zippers, 4 ½" x 9 ½" heavy duty stabilizer and 1yd fusible woven interfacing such as SF101. Please see the pattern for remaining supply list.

The **class sample** was made with Tula Pink Floral Reef fabric, Sallie Tomato Robins Egg Blue Faux Leather and ¾" Style 3 Basic Hardware Kit. Additional hardware used: Bag Feet, Strap Arches and Handmade Metal Label. An interior zipper pocket was added.

PRE-CLASS PREPARATION:

Please have the pattern and materials at time of class with pattern pieces cut except for faux leather, and interfacing attached. The fusible interfacing is used on all lining pieces.
