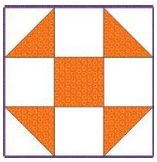
Classy

49” x 66”

This center of the quilt is made up of one pieced block which is 6.5” before being sewn into the top:



To make the quilt pictured:

You need:

- 1-1/8 yards of white
- 1/2 yard of Clemon fabric in the shoefly blocks
- 1-3/8 yards of purple plus ½ yard for binding
- 1-1/4 yards of orange for border

Note: Use ¼” seams throughout. When long strips are needed, piece as needed to make length needed.

Cut:

For the center of the quilt:

From white:

- 48– 3-1/4” squares
- 96 – 2-1/2” squares

From purple:

- 15- 6.5” squares

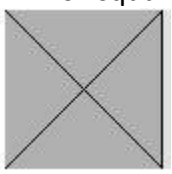
From fabric for the shoefly blocks (orange/purple):

- 24 – 2-1/2” squares
- 48 – 3-1/4” squares

For side setting triangles:

From purple:

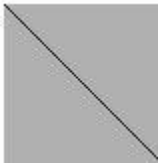
- 4 – 10” squares and cut twice diagonally like an X. This makes 16 side setting triangles



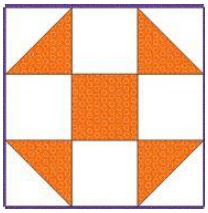
For corner setting triangles:

From purple:

- 2 – 6” squares and cut once diagonally across the middle. This makes 4 corner setting triangles.

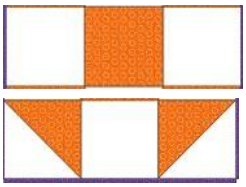


Construct blocks:



1. Make half square triangles (HST) any way you wish. The classic way is this:
   - Draw across the back of the white 3-1/4” squares diagonally with a pencil.
   - Then match up the white and orange squares (3-1/4”) and sew ¼” on each side of the drawn line.
   - Cut between the stitching lines.
   - Press towards the darker side and trim the HST to 2.5”.
2. Once the HST are made, make up the 9 patches by making rows of pieces as shown. All pieces used are 2.5” at this point. Press towards the plain blocks and away from the HST.

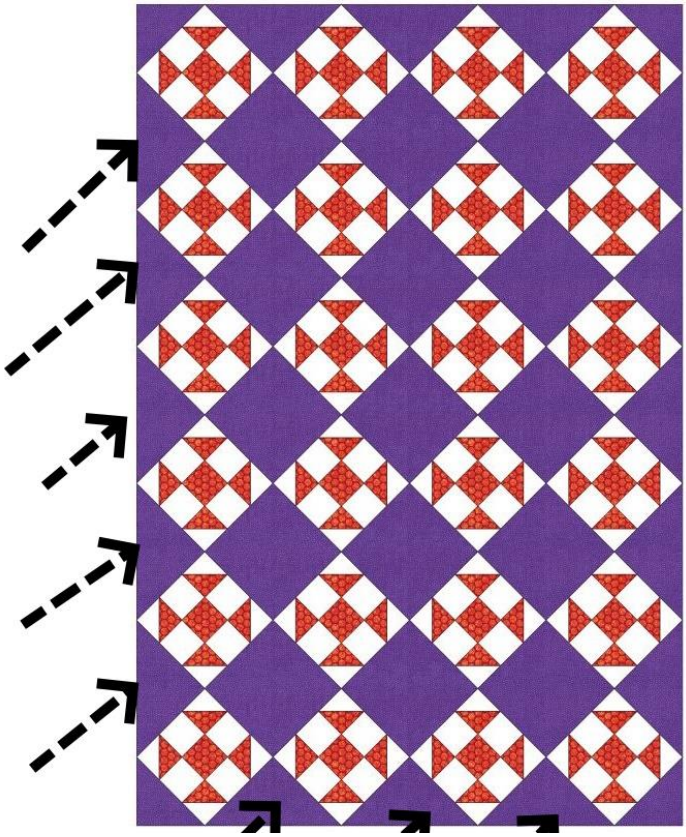
+



Make 24. They will be 6.5” at this point in the process.

How to put together this quilt:

1. **Make blocks as described above.**
2. **Using this diagram, make rows**: alternating pieced blocks and purple squares, sew together as shown. **The center of this quilt will be sewn ‘on point’ or like this**. Using the previously cut side setting triangles and corner setting triangles, make rows using arrows as a guide. Press towards the purple. Once a couple of rows are sewn, sew the rows together. You can save the corner setting triangles for last if you wish.



3. **Press well.** If excess fabrics from the purple setting triangles, trim to ¼” just outside where the white meets the purple.
4. **Add borders: (Pin, matching centers and ends.)**

Border 1 - white:

- Cut 2 – 2”x51.5”. Attach to both sides.
- Cut 2 – 2”x37.5”. Attach to the top and bottom.

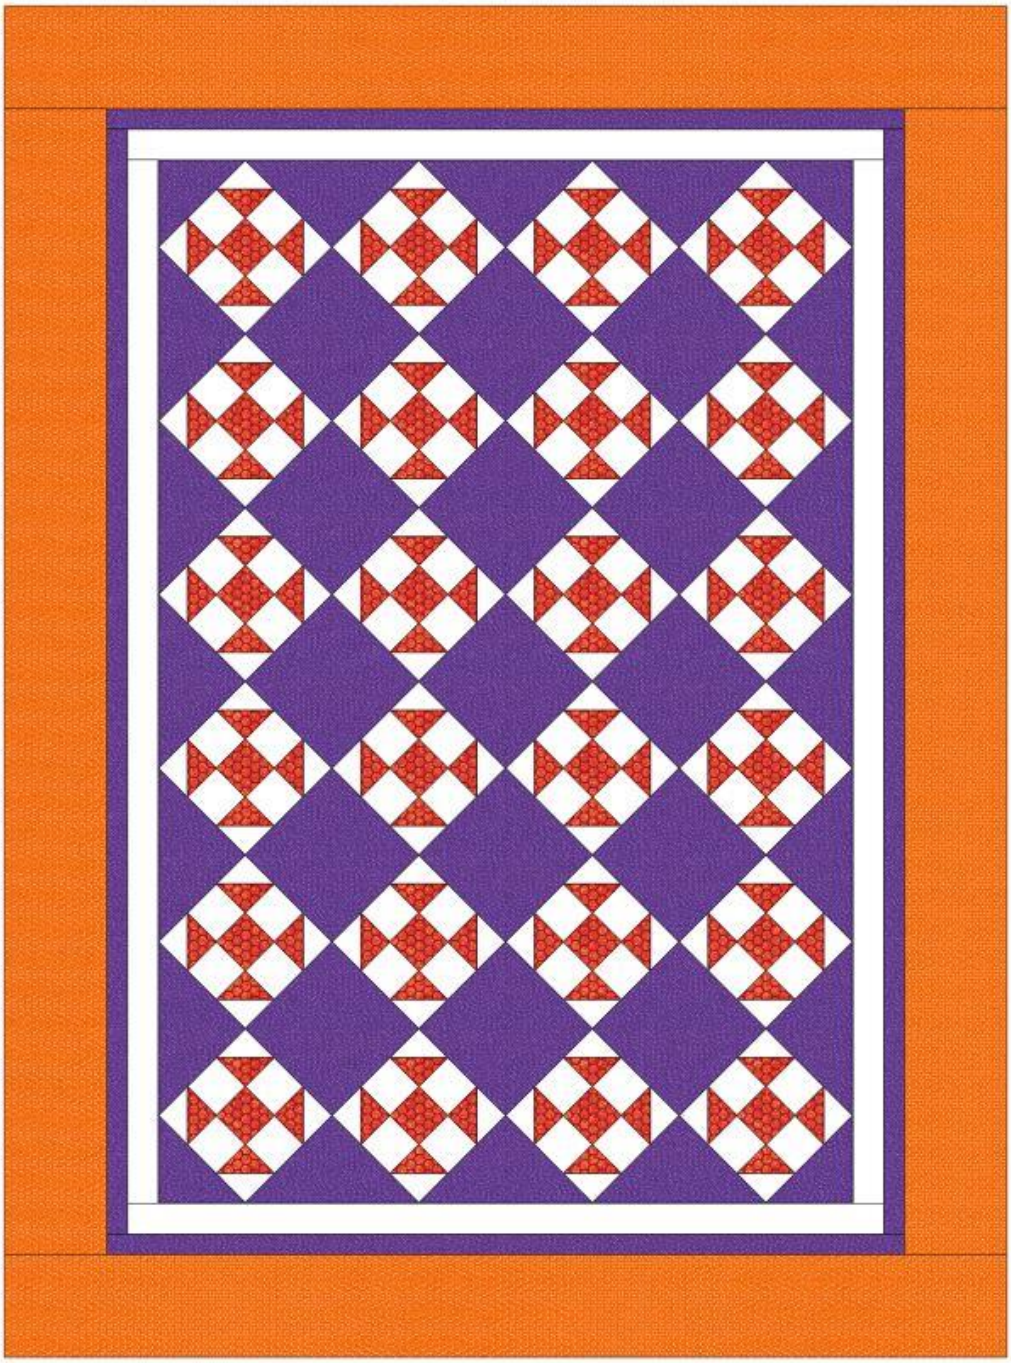
Border 2 - purple

- Cut 2 – 1.5”x54.5”. Attach to both sides.
- Cut 2 – 1.5”x39.5”. Attach to the top and bottom.

Border 3 - orange

- Cut 2 – 5.5”x56.5”. Attach to both sides.
- Cut 2 – 5.5”x49.5”. Attach to the top and bottom.

Final layout is here:



5. **Sandwich**, using whatever type of batting and backing you prefer
6. **Quilt** as desired. I used loops and hearts
7. **Bind**, using whatever method you wish.

Congratulations! Your quilt is finished!

Enjoy!
