To make the quilt top pictured:

This quilt is made up of one block – 10.5" (before sewing into the top) and looks like this:

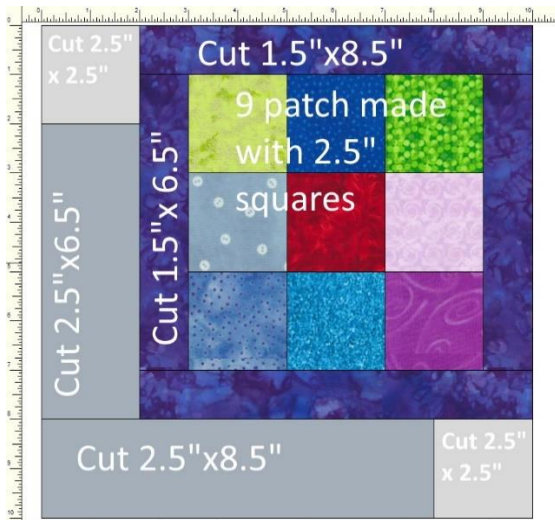

## You need:

- 1 yard of bright bold-ish colors for the frames
- 2 ¼ yards of light gray for the sashings and borders
- 1 ½ yards of fabric to cut into 2.5" strips and squares to make the 9 patches
- 1/2 yard of your color choice for the binding.

## Cut:

### **For block:**

### **For EACH block cut these pieces: (this small quilt uses 24 blocks)**

From light gray:

- Cut 2 - 2.5" squares

From dark gray:

- Cut 1 – 2.5"x6.5"
- Cut 1 – 2.5"x 8.5"

From dark for borders/frames:

- Cut 2 – 1.5"x6.5"
- Cut 2 – 1.5"x8.5"

From various pinks, purples, greens, blues –

- Cut 9 – 2.5" squares

### **For sashings:**

From light gray:

- 18 – 2½" x 10½"
- 5 – 2.5" x 46" (piece as needed)

**Borders will be dealt with later under "How to make this quilt"**

## How to make this block:

First, make a 9 patch – from the 2.5” squares.

To make the 9 patches, first sew three squares together—make 3 strips of those. Then sew them together to make a single 9 patch.

Second, add the thin bold border around the 9 patch:

- Add the 1.5”x6.5” strips to each side:

Add 1.5”x8.5” strips to the top and bottom. Now it looks like this:

Thirdly –

Sew together a light gray – 2.5” square to a 2.5”x6.5” dark gray strip

Sew to the left of the previous block show above:

Sew together a 2.5" light gray to a 2.5"x8.5" dark gray strip like this:

Attach to the block as shown:

Now the block is 10.5"x10.5". Make 24 blocks.

## How to put make this quilt:

1. Using this diagram for the center of the quilt, make your rows as shown below:

Make 6 rows of your blocks by alternating a sashing strip and a block as shown:

Once your rows are complete, now put them together as per the diagram above.

2. Add borders:

A. First border: gray
