Building Permit Application Packet (Commercial)

The following forms and information is to assist in the Building Permit Application Process with The Village of Downs. The following steps must be completed by the applicant prior to a building permit being issued. **THIS PROCESS WILL TAKE A MINIMUM OF TWO WEEKS BEFORE A PERMIT WILL BE ISSUED. UNDER CERTAIN CIRCUMSTANCES, IT COULD TAKE LONGER.**

All required forms must be filled out appropriately and have the required information/items required for each form. i.e. Septic Permit #, Sewer application and related sewer fees, Water tap on fee, Water deposit, Building Application fee.

Application packet is turned into the Village of Downs Business Office at 211 S. Seminary St.. The application packet will be obtained by the Village Employee and the employee will provide the Village Building Chairperson with the application.

NOTE: Possession or even completion of this packet does not guarantee issuance of a building permit.

The Village Building Chairperson will contact the Village Streets Chairperson, Village Water Chairperson, or any other applicable Village board member as necessary for their approval.

Once the above members have given their approval, the Building Chairperson will inform the Village Clerk to issue a building permit.

NO WORK IS TO COMMENCE UNTIL STAKE OUT INSPECTION IS DONE BY THE VILLAGE OF DOWNS ZONING ENFORCEMENT OFFICER.

Inspections listed below are required. After these inspections, any extra inspections or fines incurred due to failure to comply with Village of Downs building ordinances become the responsibility of the applicant. **ANY OUTSTANDING FEES WILL DELAY THE OCCUPANCY PERMIT.** The Village of Downs abides by IRC codes.

Attached is a permit fee schedule.

Required Inspections for new build:

- Stakeout Inspection
- Footings Inspection (before backfill)
- Framing Inspection
- Sewer Inspection
- Water Shut off/Meter Inspection
- Pre-Drywall/Mechanicals Inspection
- Final Inspection/Occupancy

Village Code Chapter 12 Section 2 TURNING ON: No water from the Village water supply shall be turned on for service to any premise by any person but the Village Water Superintendent ("Superintendent") or some person authorized by the Superintendent to perform this service. An unauthorized water turn on shall result in a \$400 Four Hundred Dollar fine to Applicant.

Village Code Chapter 12 Section 4 Deposit: A Deposit shall be made with each Application. The Deposit shall be retained by the Village as security to insure an Applicant's payment of all bills for water service. The amount of this Deposit shall be determined by the Village Board from time to time. When service to the Applicant is discontinued, the Deposit, less any past due or current balance owed to the Village for water service shall be refunded to Applicant without interest. The current Deposit is \$100.

In the event that the undersigned Applicant fails to make the required payment(s) for water service on the required date(s), an Event of Default will be deemed to have occurred on the earliest date that Applicant fails to make said payment(s). Village will allow Applicant seven (7) days from the Event of Default to cure the Default by Applicant doing one of the following: (i) tendering full payment to Village of the past due balance; or (ii) entering into an acceptable Installment Payment Agreement with Village. If Applicant fails to cure said Event of Default as provided for herein then, in addition to the assessment of late fees and disconnection of the water service, Applicant hereby consents and agrees that the Village shall be allowed to obtain a Confession of Judgment against Applicant in the Circuit Court of McLean County without further notice to Applicant.

By applying for water service, Applicant consents and agrees that: 1)Village can obtain said Confession of Judgment without extending further due process to Applicant; and 2) Village can obtain said Confession of Judgment for the total amount due for water service under the ordinances of the Village, less any payments previously made by Applicant, together with a Confession of Judgment for late fees, reasonable attorney's fees and costs incurred by Village in procuring said Confession of Judgment against Applicant.

NOTE: "Confession of Judgment" as used herein, means that in the Event of Default and failure to cure by the Applicant, as provided herein, the Village can confess a judgment against Applicant without further hearing or opportunity to dispute or object to the judgment.

Upon making application for water to be turned on at the above address, I do accept and agree to abide by all of the provisions of the Village of Downs Water Department as stated in the Code of the Village, as conditions governing the use of the Village water supply and further acknowledge, agree and accept the conditions set forth within this Application, including the Confession of Judgment provisions set forth herein.

HOLD HARMLESS AGREEMENT

The undersigned homeowner (“Homeowner”), for and in consideration of the granting of a permit by the Village of Downs (“Village”) to Homeowner allowing for the construction and installation requested by Homeowner to proceed at the property address indicated herein, agrees to hold the Village completely harmless and shall indemnify the Village from and against any claims for personal injury, death or property damage arising out of the improvement made by or for the benefit of the Homeowner constructing and or installing any deck, porch, stoop, step out, (attachments or platforms) or other like improvement on the external portion of any residence owned or occupied by Homeowner including any concrete work (collectively “Improvement”). This hold harmless and indemnification agreement shall also include attorney’s fees, costs and expenses that may be incurred by the Village in defending any claim brought against the Village by the Homeowner or any third party arising out of the construction of any Improvement.

In exchange of Homeowner’s execution of this Hold Harmless agreement Homeowner shall be allowed to construct an Improvement in a manner that meets or exceeds the minimum requirement of the Village code applicable to said Improvement and does not interfere with the water system, sewer system, septic system, drainage tile, or the like, without requiring the Homeowner to obtain a permit from the McLean County Health Department. In the event there is a septic system or water system present, the homeowners will be allowed to proceed if the Health Department is contacted to see if a Health Department Permit may be required.

If, during the construction of any Improvement, Homeowner or its contractor or agent damages in any way any water system, septic system, drainage tile, or the like, it will be the responsibility of the Homeowner to bear the cost of any and all repairs to the water system, septic system, drainage tile, or the like.

It is also understood and agreed to by the Homeowner that any Improvement by Homeowner that may impede the future access of the water system or sewer system, shall require an initial inspection by the Building Inspector of the Village prior to ANY work being started.
