

When will my order be shipped?

1. Orders are processed 2 times a week. Orders placed on the weekends or holidays will be processed the following week. Express orders must be placed by 6 am PST (Pacific Standard Time) to be processed within the same day. Express orders placed after 6 am PST will be processed the next business day. If your order is placed after 6 am PST, but before 3 pm PST, we may be able to accommodate same-day shipping upon request

2. When will my order be delivered? Which shipping courier was used to ship my order?

Wear It's At Boutique Limited uses **Canada Post and Purolator** to ship. Certain countries often experience longer than usual shipping time (more than 4 weeks) via standard shipping methods. So it is recommended that you upgrade to the express shipping option to ensure that your package will arrive promptly.

3. How can I request a Saturday delivery?

Saturday delivery option is available upon request for CAD \$25 in addition to the Overnight Delivery cost.

4. How much do you charge for shipping?

Shipping and handling charge is a flat fee of \$15 if your subtotal is below \$150; it also depends on the shipping method you choose. Express shipment costs more. You can review the shipping and handling charge before placing an order.

Can I have some items shipped and pick up in-store?

Yes, but not within the same order. You will need to place separate orders and we will arrange a store pick up time.
