Baste the edges using a 1/4" seam allowance.

This will prevent the layers from shifting.

Pull one fabric over the other so the folds overlap by approximately 3".

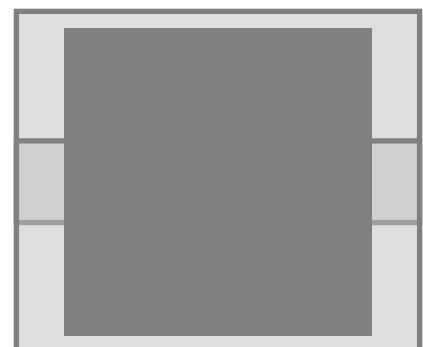

Pin the overlapped edges so they don't shift.

Constructing the Pillow:

Center and pin the Pillow Front RIGHT side down on the 2 pieces of backing.

Sew ALL the way around using a 1/2" seam allowance.

Trim excess Backing even with the Pillow Front.

Press seam.

Clip a little bulk out of each corner.

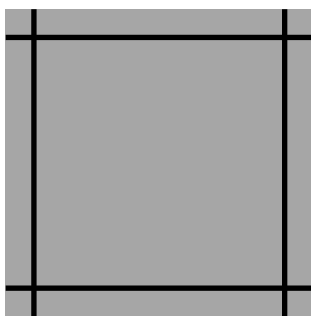

Turn right side out.

Press the edges so the front and back meet at the edge of the pillow.

Creating the Flange:

Mark a line from the edge of the pillow on all four sides.
