LEARN MACHINE QUILTING ON A MID-ARM
MACHINE

Piecing It Together provides one-on-one training classes to anyone who would like to learn to quilt on a mid-arm machine. You must take the training class (1 session, \$75) before you can rent time on the shop's machine. We provide three leads which you can use again and again. The class is three hours long and is by appointment only.

After this class, it is \$15 an hour to rent time if the fabric came from *Piecing It Together*, if not it is \$18.

Refresher class is \$11.
