ARTICLE 9: LAND DEVELOPMENT REGULATIONS

12-9-2_Major Land Use Development Review Procedures and Submittal Requirements

(E) Final Development Application: The Final Development Application is intended to provide the specific design components of the Preliminary Development Application and for the review of additional items not required by the Preliminary Development Application. The completed application shall be known as the Final Development Application.

5. Board of Trustees Review

(b) The Town Board of Trustees shall review the Final Development Application within thirty-five (35) days of receipt of transmittal from the Planning Commission at a regularly scheduled public meeting. Failure of the Board of Trustees to review the application within thirty-five (35) days of such request shall be deemed a favorable approval of the Final Development Application and a Certificate shall be issued immediately thereafter to that effect, unless directed by the applicant to extend the 35 day requirement.

1. If the Board of Trustees determines that the Final Development Application submission complies with the applicable requirements of these regulations, the Board of Trustees shall authorize the Mayor to endorse the Board of Trustees' Certification Block on the Plat.

(i) The signing will be contingent on applicant submittal of:

3. The original reproducible drawing of the Final Development Application prepared in accordance with the requirements of this Article, and:

- No plats using sepia ink or pencil or containing stick-ons will be accepted.
