

Grand Lake Municipal Lands Advisory Committee

Meeting Minutes – 7/6/21

Roll Call/Introductions:

- Cindy Southway (took minutes since Katie Hearsum was not able to attend)
- Heather MacSlarrow
- John Murray
- Ginny Wilkinson

Minutes: The minutes from the meeting on 6/1/21 were tabled to the next meeting since there wasn't a quorum.

Discussion: Brainstorming for Mary Drive Property

- The Property should have landscaping and screening to buffer it from the highway and a safe pedestrian access across the highway with connections to other Town trails.
- Possible uses include:
 - o Transportation Hub with bus turn-around and parking area
 - o Affordable Housing
- The Property could be put for sale and the Town Board could review proposals for development. Could uses be commercial/residential uses and be restricted in a sale?

Additional Items/Follow ups:

Ginny Wilkinson expressed a desire to be proactive and make contact as a private citizen with the Land Consultant Firm of Mundus Bishop to check on the status of the project. It was made clear that she would not be representing the GL Lands Committee.

Schedule tour of the Stanley Property for our next meeting on August 3rd.
