Statement of Purpose: Workshops are held in the afternoon prior to each Board of Trustee meeting. Workshops are conducted:

- 1) To ensure that the Board Members have adequate information and background to make informed decisions on various items.
- 2) To provide the Trustees with a forum to frame emerging issues and to discuss potential alternatives to address these issues.
- 3) To learn about important events affecting the Town and to provide a chance for citizens to bring “for your information” items to the Trustees.
- 4) To make efficient and effective use of citizens time at Board meetings but allow citizens time to make their comments known in a recorded meeting.
