**AGREEMENT FOR PAYMENT OF FEES FOR
REVIEW AND PROCESSING OF SUBDIVISION PLATS, ZONING AND
REZONING REQUESTS, ANNEXATIONS, REQUESTS FOR ROAD
VACATIONS, AND OTHER LAND USE RELATED MATTERS**

THIS AGREEMENT (“the Agreement”) is entered into this ____ day of _____, 20__, by and between the Town of Grand Lake, Colorado, a Colorado municipal corporation, (“the Town”) and _____, (“the Owner”).

WHEREAS, the Owner owns certain property situated in the Grand County, Colorado described on Exhibit A, attached hereto and incorporated herein by reference, (the Property”);

WHEREAS, the review and processing includes review of all aspects of land use including, but not limited to, subdivision, zoning and rezoning, annexation, road vacations, change of land use, installation of public improvements, dedication of lands and the availability of and feasibility of providing utility services;

WHEREAS, the Owner requests a change in land use for the Property and has made application to the Town for approval, and

WHEREAS, the Parties recognize that the fees as specified by Resolution No. 11-2004 may not be adequate to fully cover the Town’s expenses incurred during the application process, including but not limited to, legal publications, notices, reproduction of materials, public hearing expenses, recording of documents, engineering fees, attorney fees, consultant fees, and fees for administrative time of Town staff, and

WHEREAS, the Parties hereto recognize that the Town will continue to incur expenses through the entire development review process until final completion of the development including but not limited to, legal publications, notices, reproduction of materials, public hearing expenses, recording of documents, engineer fees, surveyor fees, geologist fees, hydrologist fees, landscape architect fees, attorney fees, consultant fees, and fees for administrative time of Town staff, security, permits and easements;

NOW THEREFORE, for and in consideration of the foregoing premises and of the mutual promises and conditions hereinafter contained, it is agreed as follows:

1. The Town has collected or will collect certain land use fees from the Owner and the Town will apply those fees against the review and processing expenses incurred by the Town while processing the Owner’s land use review proposal. In the event the Town incurs review and processing expenses greater than the monies collected from the Owner, the Owner agrees to reimburse the Town for the additional expenses and fees upon submittal of an

invoice. Owner shall pay all invoices submitted by the Town within ten (10) days of the Town's delivery of such invoice. Failure by the Owner to pay any invoice within the specified time shall result in immediate suspension of the review process by the Town, including cancellation of any scheduled hearings. Nor shall any building permits, certificates of occupancy or other Town approvals be issued or granted and for the Town to exercise such rights and remedies as are otherwise available to it in law or equity or under the applicable provisions of the Town Code.

2. Except where the law or an agreement with the Town provides otherwise, the Owner may terminate its application at any time by giving written notice to the Town. The Town shall take all reasonable steps necessary to terminate the accrual of costs to the Owner and file such notices as are required by the Town's regulations. The Owner shall be liable for all costs incurred by the Town in terminating the processing of the application.
3. If the Owner fails to pay the fees and costs required herein when due, the Town may take those steps necessary and authorized by law to collect the fees and costs due, in addition to exercising those remedies set forth in Section 1, above. The Town shall be entitled to recover from Owner all court costs and attorney's fees incurred in collection of the balance due, including interest on the amount due from its due date at the rate of 18% per annum.
4. The Town will account for all funds expended and fees and expenses incurred by the Town as a result of the development review of the application throughout the development process. Statements of expenses incurred will be made available to the Owner by the Town. Expenses to be charged to the Owner's account shall include, but shall not be limited to, legal publications, notices, reproduction of materials, public hearing expenses, recording of documents, engineer fees, surveyor fees, geologist fees, hydrologist fees, landscape architect fees, attorney fees, consultant fees, and fees for administrative time of Town staff, security, permits and easements. Within sixty (60) days after the completion of the processing of the application by the Town, the Town will provide Owner with a statement of account and will refund to the Owner any funds paid by the Owner that were not expended by the Town, except where the Parties expressly agree to the contrary.
5. Owner's obligation to pay costs and expenses provided for in this Agreement shall exist and continue independent of whether the Owner's application, or any part thereof, is approved, approved with conditions, denied, withdrawn, or terminated by the Town or the Owner prior to a final decision in the process.

IN WITNESS WHEREOF, The Town and the Owner have caused this Agreement to be duly executed on the day and year first above written.
