

Sock Bingo

Not only are socks a great Christmas gift for knitters and crocheters to make, but you could also win a Gift Certificate from Fleeces To Pieces...up to \$20...just in time for Christmas! Here's how:

- Join the Sock Bingo KCAL.
- Buy your sock yarn from Fleeces To Pieces. Participants will get 10% off the yarn they buy for this KCAL.
- Start making your socks. You must send pictures or bring your socks in as you go so that we can validate the techniques that you are using. Each item can only be counted once. For example, you can't make 4 of exactly the same kind of socks in different colors using the same type of needles and the same general construction to get the \$20 gift certificate. You have to try something different with each pair of socks. Oh...variegated yarn does not count as a Color Work technique!
- You must have at least 5 items completed on your Bingo Card and at least one completed pair of socks to call Bingo.
- Return your Bingo card and socks (or pictures of them) to Fleeces To Pieces by Saturday December 11th.

Prizes:

- 1 pair of socks and 5 items: \$5.00 gift certificate
