Making the 8" Leaf Blocks: **Note: For each block you will use a matched set for the Points, the Centers and the background fabrics. However, each block will be a different set of colors.**

1. Fold the long edges of the Stem bias strips wrong sides together, and sew a 1/8" seam the entire length of the strip. Slide a 1/2" bias bar inside the tube, centering the seam on the back side and press the seam to the back of the bar.
2. Gently curve the stem, seam side down onto the right side a 4 1/2" background square as shown (You may choose the stem color for the background color of your choice or follow the photo). Glue in place, press to set glue. Machine stitch using a tiny zig zag and clear monofilament for the top thread along both sides of stem. (Hand applique is also an option).

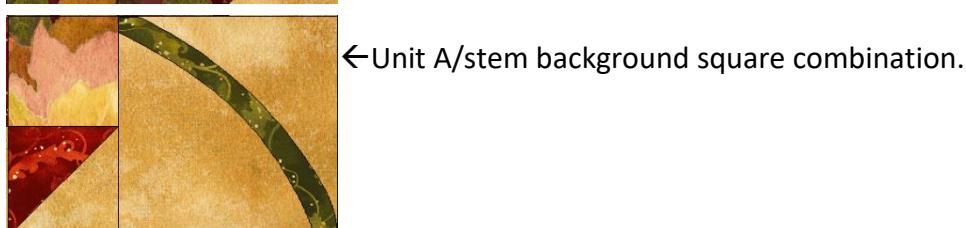

3. Place a background 2 1/2" square with a "Points" fabric 2 1/2" square(in a contrasting color) right sides together. Sew one diagonal seam (corner to corner), trim a 1/4" seam allowance and press to the dark. Square to 2 1/2". Make 2 HSTs (Half Square Triangles).
4. Sew a contrasting "Center" 2 1/2" square to the top of one HST to complete Unit a. Sew Unit A to the left side of the stem square as shown to make a Unit A/Stem background square combination.
5. Sew (2) "Center" 2 1/2" squares together side by side. Sew the second HST from Step 3 to the right end as shown to make Unit B.

6. Sew Unit B to the top of the Unit A/stem background square as shown.

←Unit A/stem background square combination.

7. Place a "Point" 2 ½" square right sides together, on the left side of background 2 ½" x 4 ½" rectangle. Draw a line from the top left to the bottom right of the square. Stitch on the line, trim ¼" seam allowance and press to the "Point" fabric. Repeat with the right side of the rectangle, the diagonal line going in the opposite direction to complete the flying geese Unit C. Make 2.

12. Repeat Steps 1-11 to make (35) more blocks. Choose "Center", "Point", Stem and background fabrics that will compliment and contrast with each other for the next 35 blocks. Use the photo as a guide or make your own combinations.

Assembly of Quilt Center:

13. Sew (6) Leaf Blocks together horizontally, rotating every other block 180 degrees(so the stems point in different directions. Sew the (6) rows together to complete the quilt center.

Borders:

14. Sew the (2) 2 ½" x 48 ½" outer border strips to sides of quilt center. Sew the (2) 2 ½" x 52 ½" outer border strips to the top and bottom of quilt.

15. Layer quilt with batting and backing, quilt as desired and bind using the 2 ½" binding strips.
